## Connecting the dots – Join the interactive sprints on Digitalization & Blockchain, Climate Action and Education

When: Wednesday, 4<sup>th</sup> December 2019, 13:30 – 15:30

Where: COP25 Venue, FEMA - Feria de Madrid, Avda. del Partenón, 5 28042 Madrid, Spain

### PROGRAMME

BLOCK ONE	WELCOME AND INTRODUCTION
13:30 – 14:00	<b>Introduction to the Climate Ledger Initiative and to the collaborative platform</b> <i>Owen Hewlett, Gold Standard Foundation and Ambe Emmanuel Cheo, UNU-EHS</i>
14:00 – 14:10	<b>Overview: 5 hot topics – 5 sprints</b> Introduction to topics and rules of the game <i>Sven Braden, Climate Ledger Initiative (CLI) and Juerg Fuessler (INFRAS)</i>
BLOCK TWO	FIVE MODERATED DESIGN SPRINTS (in parallel)
14:10 – 14:40 First round	<b>First round: 5 parallel Sprints to dive into key topics of digitizing climate action</b> Participants will be given a number of options, and combined with their previous experience and guidance from the facilitator, make informed choices about how they think technical or abstract information could be translated into activities that would contribute towards a lively and inspiring community and efficient climate action.
	<b>Sprint 1 – Designing Online Collaborative Platforms for Capacity Building</b> Moderated by Ambe Emmanuel Cheo, UNU-EHS
	<b>Sprint 2 – Next-generation registries on blockchain</b> Moderated by Juerg Fuessler, INFRAS
	<b>Sprint 3 – Using blockchain for transparency in climate finance</b> Moderated by Sven Braden, CLI
	<b>Sprint 4 – Emerging digitized markets for decentralized renewable energy</b> Moderated by Martin Wainstein, Yale Open Innovation Lab
	<b>Sprint 5 – Digitizing Measuring, Reporting and Verification (MRV)</b>

	Moderated by Ana Lucia Moya Mora, SINAMECC, Costa Rica
14:40 – 15:05 Second round	<b>Second round: Focus on developing actionable solutions and products</b> Participants swap tables for this second round. Moderators stay at their tables, briefly present the main results of the first round and facilitate a discussion to translate the analysis of the first round into actionable solutions for climate actors, tech companies and policymakers.
<b>Block Three</b>	<b>Future Thinking for Climate Action</b>
15:05 – 15:20	<b>'Elevator Pitch' from each of the tables (3 minutes max per group)</b>
15:20 – 15:30	Wrap Up / Conclusions – closing
	<b>BREAK FOR NETWORKING</b>

Results from the Sprints will be made available on [climateledger.org](https://climateledger.org)
