Re: Ruzgar Elektrik Uretim, A.S., registered owner of production  
licence  
Previously known as Ruzgar Elektrik Uretim Ltd. Sti.  
**An affiliate of ATASEVEN GROUP**

**GERIS Wind Power Plant project, Yalikavak, Bodrum, Turkey**  
Energy Market Regulatory Authority Licence no: **EU/3680-3/2232**  
Number of Turbines: **13** (as per developer's Project Description Booklet)  
Installed Capacity: **11.2 Mw** (as per developer's Project Description Booklet)

**The people of Geriř and Yalikavak, the people of Bodrum and the local Municipality of Bodrum are ALL against the GERIS Wind Power Plant project in Yalikavak, Bodrum, Turkey.**

**The windpower project is being imposed on the people of Geris, Yalikavak and Bodrum - THE STAKEHOLDERS - by Central Ankara Government against the will of the people, the stakeholders, and THIS IS AGAINST THE DECLARED PRINCIPALS OF THE GOLD STANDARD FOUNDATION!!!**

**This project and the referenced development company can not be issued a Gold Standard Certificate...**
